Contact: Sandra Schultz, Stable Solutions llc, (715)209-1006

Informational Meeting –

Report of the Hydrologic Condition of the Marengo River Watershed

An informational meeting will be held on Monday, February 12, 2007, from 6:30 pm – 8:30 pm at the Ashland Town Hall in Highbridge, for all interested in learning more about the hydrologic condition of the Marengo River watershed and the upcoming watershed planning meetings. For more information, contact Nancy Larson at (715)682-2674 or Sandy Schultz, Stable Solutions llc at (715)209-1006. Meeting notices are available on-line at <http://basineducation.uwex.edu/lakesuperior/pteam/index.htm>. Copies of the Report can be obtained from the Lake Superior Basin Partner Team's website at <http://basineducation.uwex.edu/lakesuperior/watershedmgmt.htm>.
