

WISCONSIN RAIN GARDEN EDUCATOR'S KIT ORDER FORM

The kit contains a CD with three power point presentations, and a digital photo library of rain gardens, installation, figures and stormwater issues in both .jpeg and .tiff format. It also contains several case studies of rain garden installations from around the state including potential speaker contacts, internet web links, press releases, newspaper stories, workshop flyers, agendas, and hard copies of rain garden publications.

Name: _____

Organization/agency/business: _____

Address, City, State, Zip: _____

Telephone: _____ Email: _____
